

FEEL - Amanaska (Simon Lewis)

Unsure as I am
How far will I go
Deep into the darkest places
Against the river's flow
Some think that I'm crazy
Coz I'm never gonna rest.
Until I'm safe in your arms
In the place where I feel love

Rise up sweet angel
Awaken from your sleep
Dive into the clear blue water
Into the ocean deep
I'm here beside you
I'm not going anywhere
Just know that you'll always find me
In the place where I feel love

I'm here beside you
I'm not going anywhere
Just know that you'll always find me
In the place where I feel love (3 times)
