

## NOTHING IN THIS WORLD

The fruit of love  
A blessing that came from above  
Sweet little man  
A wonderful part of the plan

You came to be  
From the love of your father and me  
Innocent eyes  
Shine like the bluest of skies

Coz there ain't nothing, in this world  
I wouldn't do, to protect you  
And there ain't nothing, that I have  
I wouldn't give to you

Finding your place  
That precious little look on your face  
Watch you explore  
I'll be there to pick you up if you fall

Soon you will grow  
And life may challenge all that you know  
Have faith, and be brave  
Our love will be your rock in the haze
